Cathedral

Arab and Islamic Building

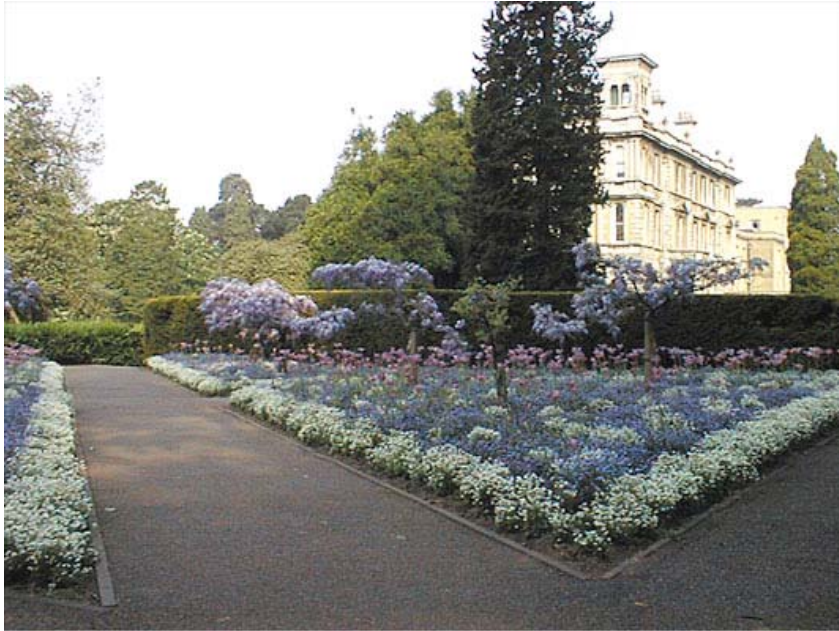

This specially designed building offers superb up-to-date facilities including a student research room, common room, seminar rooms, computing and audio-visual equipment with space for archival collections.

Washington Singer Building

School of Psychology

Reed Hall

Seminars are held in this building – outside tennis courts can be found beyond the gardens.

CLIMATE

Situated in South West England, our monthly temperature reaches its maximum in June at around 16°C but daytime temperatures of around 20°C are not unusual in the summer. February is usually the coldest month with an average temperature of 5.5°C.

Northcote House Tower
Our location in the mild south west of England means we rarely have snow.

The outdoor swimming pool on the Streatham Campus. Other sports facilities include extensive Sports Hall with indoor and outside tennis courts, gym, aerobics, yoga and pilates classes, to name just a few! Over 50 sports clubs are co-ordinated by the Athletic Union. There is an indoor swimming pool at St Luke's campus.

Eden Project

The Eden Project in Cornwall is home to thousands of important and beautiful plants. Three of the world's climate zones ("Biomes") e.g. The Humid Tropics (Rainforests and Tropical Islands) and the Warm Temperate regions (the Mediterranean, South Africa and California) are contained within the two giant conservatories and the third is Cornwall's temperature zone.
