2" x 2" color photograph

How do I apply?

Passport application forms can be found online at travel.state.gov. Complete the application fully and attach your 2" x 2" photo. Make sure you are applying for a passport **book**, not a passport **card**, which is not valid for international air travel.

Processing and mailing time can take 6 to 8 weeks, so be sure to apply well ahead of any international travel. If you're in a pinch, expedited service – a 3-week processing time – is available for an extra \$60 fee, and overnight shipping is available for \$20.66.

ISU students traveling on university programs may have their passport photo taken in the Study Abroad Center from 1:00pm to 4:00pm each weekday. The cost is \$15 charged to your Ubill.

What if I'm renewing my passport?

If you are renewing using form DS-82, you will be able to apply via mail. Mail all supporting documents, plus your previous passport, to the [National Passport Processing Center](#).

What if this is my first passport?

Applicants using form DS-11 will need to appear in person at a local passport acceptance facility. These are usually post offices or civic buildings; locations can be found online at travel.state.gov. Do not sign the application until instructed to do so by your agent.
