

# Spring Semester in Nutritional Sciences

A Full English Program in Nutrition and Health Sciences

Food

Cooking

## TEACHING KEY FEATURES

### Translational Approach :

Studying the incidence of Food on Human Health requires interactions between several scientific domains.

The program goes from farm products to food consumption and its long term consequences on Health taking into account its processing and retailing

### Unique Environment :

- Culinary Platform and other research labs
- Experiential learning: mix of class courses and practical applications
- Full time professors and international faculty from partner Universities (France and Europe)
- « Green » campus at the door of Paris

### Cross-cultural approach :

Original Translational program dedicated to foreign students interested in understanding the peculiar bounds between French and food

### Available ECTS credits :

The program offers 30 ECTS credits + 2 ECTS credits (French as a Foreign Language course). Choose the number of credits required by your home institution credits (please note that at least 18 ECTS are compulsory). 2 EU credits are equivalent to 1 US credit

## ELIGIBILITY

**Students in Agriculture or Food Sciences :** junior, seniors or Master degree students from an accredited institution.

**Classes are taught in English and advanced or intermediate English is required, attested by any one of the following :**

- a minimum score of 785 TOEIC points
- a minimum score of 567 TOEFL points (or 227 TOEFL CBT and 87 TOEFL iBT points)
- a minimum score of 6.5 IELTS points

## TUITION AND FEES

### Erasmus+ students

(enrolled in an Erasmus+ partner university) : tuition fees waived.

### Exchange students

(enrolled in a partner university/with a cooperation agreement): tuition fees waived.

### Other students

3500€ tuition fees + 50€ non-refundable registration fees.

## LIVING COSTS (in 2016-2017)

- Residence Hall: 488€/month for a single room – 270€/month for a shared room
- Campus fees: 100€/year (Erasmus and exchange students)
- Room insurance: 39€/year
- Health insurance (compulsory for non-UE students: 215€/year)
- Catering: 3,30€/meal (breakfast is free)
- Bus monthly pass: 8€/month

## STUDY TRIP

- 4 days in a french typical terroir

- Discover food, cheese and beverages with locals in the typical countryside
- 350€ (exchange and non-exchange students)

## EQUIPMENT TO BRING

Lab coat, laptop, adaptor plug

## WHAT THEY THINK ABOUT THE PROGRAM

### Alyson (Brescia University – Canada)

"This experience was unlike any other. I came to France excited to make new friends but I did not expect to be leaving with a new family. All together, we have not only witnessed each other grow as individuals but have fostered that growth in our own way. These people, these moments – I will never forget."

### Bregje (Wageningen University – Netherlands)

"This spring semester has allowed me to enhance and broaden my knowledge about French culture, and its relation to nutrition in a global perspective."

## STUDENT LIFE

### French Buddy :

Each international student is welcomed and managed by a French student

### Social events organized by French students :

- Gala
- Talent's showcase evening
- Ovalies (charity rugby tournament)

### Social events organized by the International Department :

- Team building day
- Touristic visits

More than 80 student organizations on the campus

## Study in France

The “Grandes Ecoles” are unique to France. They were created in the late 18th century in order to offer outstanding scientific education to the country’s future engineers. UniLaSalle, founded in 1854, belongs to this tradition. Studying on our campus will not only give you access to excellence in education; you will also have the opportunity to live in the country that invented “savoir-vivre”, the art of living well. The Picardy region, home of UniLaSalle, is well known for its beautiful villages and its inspiring gothic cathedrals. No wonder France is the most visited country in the world. Did you know that? Known for its gastronomy, wines and cheeses, France is a large country of amazing geographical variety. You will meet people who are proud of their cultural heritage, their lovely countryside, and their quiet towns and fine restaurants.

### International relations

#### UniLaSalle - campus de Beauvais

19, rue Pierre Waguet  
BP 30313  
60026 Beauvais Cedex  
France
